Notes

- If using another hymnbook, note that different keys may be used.
- Lillenas Music publishes orchestra accompaniment books that can supplement resources for an instrumental ensemble within the worship service.
- Transitions are listed to indicate how many beats per chord in between selection.
    - E.g., (G-2: "I will trust in Him no longer, my soul is satisfied in Him alone") =
        - Play the last chord of the previous song (G major) for 2 beats;, and proceed directly into the last line of the next selection.
- ***My Worth Is Not In What I Own*** may be new to your congregation, but with its verse/refrain structure and simple tune, it is quick to learn. It may be helpful to have a few members of the congregation sing in mics along with the worship minister the first time.
